

FIGHT FOR HOPE

SEPTEMBER 10

“Let your **HOPES**, not your HURTS,
shape your future” ROBERT H. SCHULLER

‘Paint your
school
red with a
message
of hope’

What can your school do?

- Wear red and make a donation
- Invite a Guest artist or celebrity to your school to support the cause on the day
- Host a BBQ or bake sale to raise funds
- Ask a Leadership Representative to share a speech of hope at assembly
- Set up a ‘Wall of Hope’ for students to write encouraging messages on
- Host a fundraising morning tea in the staff room
- Set up a ‘safe space’ for students to go and talk to or meet the school counsellor
- Encourage discussion with students regarding mental health and emotional well-being
- Host a battle of the bands or get your school band to perform an item

We encourage you to get creative and the ideas flowing, raise awareness and the levels of hope in your school, as well as funds for *Kids Helpline*.
